

# Early in the Morning

## Lando Chill

got that Wu-Tang juice,  
and it taste so cool...got peace on my mind,  
kush i'ma grind,  
air feeling fine,  
ride to the arch of your spine say it's time,  
cuz it's early in the morninggot peace on my mind,  
kush i'ma grind,  
air feeling fine,  
ride to the arch of your spine say it's time,  
cuz it's early in the morning  
weed rolled up,  
like a fruit roll-up,  
honey making Folgers,  
baby what's the hold-up,  
baby lit the bowl up,  
hemp wick chick with some fast hips,  
sicker than your average,  
ya mean & ya median,  
smoke so much,  
high thoughts started weaving in,  
high so long,  
some people started believing them,  
but it's early in the morning,  
and this OG Kush got me zonin',  
you see,  
you the katana to my ronin,  
your the life line i be phonin,  
see i love the toes curl as you moanin  
baby do you really know what ya ownin?  
got peace on my mind,  
kush i'ma grind,  
air feeling fine,  
ride to the arch of your spine say it's time,  
cuz it's early in the morninggot peace on my mind,  
kush i'ma grind,  
air feeling fine,  
ride to the arch of your spine say it's time,  
cuz it's early in the morning,sun rising in the east over yonder,  
we sit and we ponder,  
weed with the sonder,  
the intermittent stories of souls who just wandered,  
this be the freedom in life of which I'm fonder,

new through serenity,  
weed, love, & faith be the trinity,  
faith in yourself for our souls know infinity,  
but as I digress,  
& you de-stress,  
smoke silhouettes dance their way down your sun dress,  
watch it fall down on your chest  
it ain't too early in the morning for some sex but  
it's early in the morning  
and this OG Kush got me zoninggot peace on my mind,  
kush i'ma grind,  
air feeling fine,  
ride to the arch of your spine say it's time,  
cuz it's early in the morninggot peace on my mind,  
kush i'ma grind,  
air feeling fine,  
ride to the arch of your spine say it's time,  
cuz it's early in the morning
