

No Stranger

Small Black

Tell me where you thought you saw me
Tell me why you asked my name
Tell me how you've come to be
 In this place
Tell the story how you want to
 Make up all the details
Tell me what feels good
 I don't care
 You're no stranger
 You're no stranger
 To me
Take me for another body
Come out of the wilderness
 Maybe just a window
 You could've passed
Take me through your barricades
Push me through your city walls
 Take me, I can be
 Whoever you want
 You're no stranger
 To me
 You're no stranger
 To me
Nothing here is set in stone
Nothing here is set in stone
Nothing here is set in stone
 You don't even know
 Where I come from
 Could I be someone
 That you can trust?
Nothing here is set in stone
 You don't even know
 Where I come from
 Could I be someone
 That you can trust?
 To me
You don't even know
 Where I come from
 Don't even know
 Don't even know
