

Cold Blooded

Ida Maria

I am cold blooded!
I am cold blooded!
Cold blooded, cold blooded!
I'm a cold blooded woman
Cold blooded, cold blooded!
I'm a cold blooded...!Go ahead for trying with me
You can give it all you got
I'm not so easily distressedI put my soul on ice
So before you pick your price
I've got this question in my hair:
Can you wake me from the dead?
I am cold blooded!
I am cold blooded!
Cold blooded, cold blooded!
I'm a cold blooded woman
Cold blooded, cold blooded!
I'm a cold blooded woman!
Yeah, yeahLet me see your armory
That knife looks nice and sharp
I bet it cuts quite deep and cleanYou got it all planned out
Set up so nice and tight
You can make a franchise of your skin
For now the hygiene (?)
I am cold blooded!
I am cold blooded!
Cold blooded, cold blooded!
I'm a cold blooded woman
Cold blooded, cold blooded!
I'm a cold bloodedCold blooded, cold blooded!
I'm a cold blooded woman
