

Touch (feat. Madi)

KSHMR & Felix Snow

Yeah, we want it all,
oh, that's impossible
We could lose it all,
in the garden of our life
If we take it all,
taste the forbidden fruit
Will it break us all?
We'll know,
we'll know when we touch We'll know when we touch
We'll know when we touch
We'll know,
we'll know when we touch
We'll know,
we'll know
We'll know,
we'll know,
we'll know when we touch
We'll know,
we'll know,
we'll know when we touch Yeah, we want it all,
oh, that's impossible
We could lose it all,
in the garden of our life
If we take it all,
taste the forbidden fruit
Will it break us all?
We'll know,
we'll know when we touch
We'll know when we touch
We'll know when we touch
We'll know,
we'll know when we touch
We'll know,
we'll know when we touch
we'll know We'll know We'll know,
we'll know,
we'll know when we touch We'll know,
we'll know,
we'll know when we touch
