

Fall in Love (feat. Ciscero)

GoldLink

Fall in love, oh, oh, fall in love
Wish I never did this, I don't wanna love, love
Fall in love, oh, oh, fall in love
Wish I never did this, I don't wanna love, love
Baby girl don't throw things about me
I'm just bad girl, I'm bad for everybody
Baby girl don't tell your friends
That na with a neck tat
Respect that
Old bh, she ain't like that
She left that
Dropped one tape, two tape
Brand new can't even get a ho
(?) na hoes with a (?) like that
Smooth na do no-no rapping
New girl star, she an actress
She's so used to the light, so plastic
By the lake, LA like Magic
Spit rapping
No (?) just (?)
Ain't happen (?) baby
