

It's Alright With Me

New Riders of the Purple Sage

Torbert

The door is there walk right in
We'll all join heads and look within
How 'bout a country melody
Mama cookin' somethin' to eat
How 'bout a rock and roll jamboree
You know it's alright with me
Our ways in life have brought us here
Ooh together now
If we want we take a look
We're gonna see how
How 'bout a country melody
Mama cookin' somethin' to eat
How 'bout a rock and roll jamboree
You know it's alright with me
A simple song a sing-a-long
Ooh-oooh yeah
If you want you sing along
Ooh-oooh yeah
How 'bout a country melody
Mama cookin' somethin' to eat
How 'bout a rock and roll jamboree
You know it's alright with me
You know it's alright with me
You know it's alright with me
You know it's alright with me
Ooh-oooh yeah
Ooh-oooh yeah
