

Drip on Boat (feat. SwagHollywood)

The Backpack Kid

Had to get that cash
Had to get some mo'
Had to get her back
Did it on my own (own)
I just got new ice
Put in on my throne
Too much drip on me
yea i need a boat Too much drip on me
Yea i need a boat
Too much drip on me
Yea i need a boat
Too much drip on me
Yea i need a boat
Too much drip on me
Yea i need a boat
Too much drip on me
Gotta learn how to flow
I got on designer from my head to my toe
I ain't ask for help yea I did it on my own
I don't see a hater you can get up out my zone
Beating
Like I'm in a NASCAR
we don't know you why you tryna act hard
They say GTA im not on the radar
Goin MIA yea I'm goin so far
(so far)
(so far)
(goin so far yea)
Had to get that cash
Had to get some mo'
Had to get her back
Did it on my own (own)
I just got new ice
Put in on my throne
Too much drip on me
yea i need a boat Too much drip on me
Yea i need a boat
Too much drip on me
Yea i need a boat
Too much drip on me
Yea i need a boat
Too much drip on me

Yea i need a boat get that video like everyday
get that cake
in my plate
do that way
triple 8
fade away
fade away
i feel like a J
money come in
I just see better days
Too much drip
Motto is give it away
Pack my way
If she ain't in my space
50k on a cheque
Jus' to talk and they say hey
(hey)
(ooh) Had to get that cash
Had to get some mo'
Had to get her back
Did it on my own (own)
I just got new ice
Put in on my throne
Too much drip on me
yea i need a boat Too much drip on me
Yea i need a boat
Too much drip on me
Yea i need a boat
Too much drip on me
Yea i need a boat
Too much drip on me
Yea i need a boat
