

# What Do They Know?

## Mindless Self Indulgence

Beat me up, beat me down  
Mess me up beyond all recognition  
For what it's worth, I'd do it again  
With no consequence I will do it again  
Hard up, so hunt me down (down, down)  
Jump the gun, bust a cap, hit the crowdYo, yo, yo - word  
My tendency's never re - turned  
Received like a big fat - jerk  
A bit silly, but not ab - surd  
Criminal that's what I - heard  
Thinking thoughts that's most im - pure  
So every thing's splendid - sure  
I just there to in - jure  
On the fence, the consequence  
What do they know about that?  
On the track, ahead of the pack  
What do they know about that?  
I'm quite depressed, I'm quite a messBeat me up, beat me down  
Mess me up beyond all recognition  
For what it's worth, I'd do it again  
With no consequence I will do it again  
Hard up, so hunt me down (down, down)  
Jump the gun, bust a cap, hit the crowdYo, yo, yo - word  
My tendency's never re - turned  
Recieved like a big fat - jerk  
I been silly, but not ab - surd  
Cuz you know that's what I - heard  
Tell ya thoughts that's mostly - pure  
So everything's splended - sure  
I just there to in - jure  
On the fence, the consequence  
What do they know about that?  
On the track, ahead of the pack  
What do they know about that?  
I'm quite depressed, I'm quite a mess(Hey) Someone to stab in the back  
(Hey) Someone to fall through the crack  
(Hey) Someone to punch in the face  
(Hey) Someone to fall through the crackWritten all over my face  
Written all over my face  
Written all over my face  
Written all over my faceWritten all over my face  
Written all over my face

Written all over my face  
Written all over my face Jump the gun, bust a cap, hit the ground Yo, yo, yo, - word  
My tendency's never re - turned  
Recieved like a big fat - jerk  
I been silly, but not ab - surd  
Cuz you know that's what I - heard  
Tell ya thoughts that's mostly - pure  
So everything's splended - sure  
I just there to in - jure On the fence, the consequence  
What do they know about that?  
On the track, ahead of the pack  
What do they know about that?  
I'm quite depressed, I'm quite a mess
