

Rhyme Animal (Intro)

Sheek Louch

Gorilla, yeah, gorilla, yeah
You know who dump
... under the palm trees,
... underground to monkey let them in this game like pimp and...
... niggers... you're like f*cked up like...
I'm like... in a...
You wanna see me a rap... I call
I'm like... piece, I've been working down,
... when I used to do this...
... cracking to 80s... beat a man with the ladies,
Once again back... the incredible, rhyme animal.
