

# I Won't Last a Day Without You

[Paul Williams](#)

Day after day I must face a world of strangers  
Where I don't belong, I'm not that strong  
It's nice to know that there's someone I can turn to  
Who will always care, you're always there  
When there's no getting over that rainbow  
When my smallest of dreams won't come true  
I can take all the madness the world has to give  
But I won't last a day without you  
So many times when the city seems to be  
Without a friendly face, a lonely place  
It's nice to know that you'll be there if I need you  
And you'll always smile, it's all worthwhile  
When there's no getting over that rainbow  
When my smallest of dreams won't come true  
I can take all the madness the world has to give  
But I won't last a day without you  
Touch me and I end up singing  
Troubles seem to up and disappear  
You touch me with the love you're bringing  
I can't really lose when you're near  
If all my friends have forgotten half their promises  
They're not unkind, just hard to find  
One look at you and I know that I could learn to live  
Without the rest, I found the best  
When there's no getting over that rainbow  
When my smallest of dreams won't come true  
I can take all the madness the world has to give  
But I won't last a day without you  
When there's no getting over that rainbow  
When my smallest of dreams won't come true  
I can take all the madness the world has to give  
But I won't last a day without you
