

# Enjoy Yourself

Billy Currington

If you hear music from down the street  
And you find yourself tappin' your feet  
Just ease on by if you want to  
There's only one thing expected of you Enjoy yourself, have a big time  
Dance a little dance, drink a little wine  
Come on in, the water's fine Enjoy yourself, let it all hang out  
And you'll know exactly what I'm talkin' about  
If you come on over without a doubt  
You'll enjoy yourself  
Now you don't have to wonder what to wear  
What in the world are you doin' alone over there  
While we're havin a ball, just shakin' it loose  
Now come on sweet baby, ain't no excuse Enjoy yourself, have a big time  
Dance a little dance, drink a little wine  
Come on in, the water's fine Enjoy yourself, let it all hang out  
And you'll know exactly what I'm talkin' about  
If you come on over without a doubt  
You'll enjoy yourself  
Oh, enjoy yourself, let it all hang out  
You'll know exactly what I'm talkin' about  
If you come on over without a doubt  
You'll enjoy yourself So come on over, you gonna really help out  
And you'll enjoy yourself
