## Ludacris

Everybody with me drunk as fuck  
Break it down and roll it up  
Everybody with me drunk as fuck  
Break it down and roll it upEverybody with me drunk as fuck  
Break it down and roll it up  
Everybody with me drunk as fuck  
Break it down and roll it upEverybody with me drunk as fuck  
Break it down and roll it up  
Everybody with me drunk as fuck  
Break it down and roll it upEverybody with me drunk as fuck  
Break it down and roll it up  
Everybody with me drunk as fuck  
Break it down and roll it up  
Everybody with me drunk as fuck  
Break it down and roll it upOkay, okay, okay  
Everybody with me drunk as fuck  
Break it down and roll it up  
Everybody got their 'quilas with 'em  
Rep your side and throw it upHo it up and it's goin' down  
Light another blunt and it's goin' round  
Puff, puff, pass, you can toast your glass  
Later we'll screw and slow it upIf you make it fast, I can make it last  
And I'm a nigga that's makin' cash  
Eight figures in the bank and I pull your rank  
What you think, what'cha hatin' that?  
Ha, ha, ha, ha, ha  
You think you fly, I know you not  
Ha, ha, ha, ha, ha  
You tote your knife, I tote my GlockBig body Cadallic, women in the back seat  
Speakers steady pumpin' as I pass these losers  
Your car too small  
(Why?)  
I can't fit these women in a PT CruiserGet your cake up, get your weight up  
Way up to the top 'til you can't go further  
These snitches is after my riches  
And, yes, I smell blood and murderWhen I cock back, better drop that, can't block that  
Lock that, fools better stop that  
Otherwise you can pop back  
But after dumpin' around, you be wonderin' where the cops atWhere the cops at?  
'Cause I'm drunk as fuck, tell 'em I'm far from sober  
'Cause if the po-po happen' to pull me over  
I'ma just tell 'emEverybody with me drunk as fuck

Everybody with me drunk as fuck  
Break it down and roll it up
