When you pray, God answers x 3  
God will answer when you pray x 2 When you pray, things will get better x 3  
It will get better when you pray x 2 When you pray, the weapon won't prosper x 3  
It won't prosper when you pray x 2 Prayer changes things, prayer changes people x 2  
Prayer changes things, it rearranges things  
So we must pray, pray, pray When we pray, there will be peace in our homes x 3  
There will be peace when we pray When we pray, there will be love in our churches x 3  
There will be love when we pray x 2  
We must pray
