

# Beat of My Heart (feat. Love Harder)

## Lost Frequencies

You know that I'm leaving  
It's only for sure You know that I'm leaving  
It's only for sure You're like the beat of my heart  
Beat goes on  
Beat goes On You're like the beat of my heart  
Beat goes on  
Beat goes On You know that I'm leaving  
It's only for sure You know that I'm leaving  
It's only for sure  
You're like the beat of my heart  
Beat goes on  
Beat goes On You know that I'm leaving  
It's only for sure You know that I'm leaving  
It's only for sure You're like the beat of my heart  
Beat goes on  
Beat goes On You're like the beat of my heart  
Beat goes on  
Beat goes On You know that I'm leaving  
It's only for sure You know that I'm leaving  
It's only for sure  
You're like the beat of my heart  
Beat goes on  
Beat goes On You're like the beat of my heart  
Beat goes on  
Beat goes On You know that I'm leaving  
It's only for sure You know that I'm leaving  
It's only for sure You're like the beat of my heart  
Beat goes on  
Beat goes On You're like the beat of my heart  
Beat goes on  
Beat goes On You know that I'm leaving  
It's only for sure
