

Beat of My Heart (feat. Love Harder)

Lost Frequencies

You know that I'm leaving
It's only for sure You know that I'm leaving
It's only for sure You're like the beat of my heart
Beat goes on
Beat goes On You're like the beat of my heart
Beat goes on
Beat goes On You know that I'm leaving
It's only for sure You know that I'm leaving
It's only for sure
You're like the beat of my heart
Beat goes on
Beat goes On You know that I'm leaving
It's only for sure You know that I'm leaving
It's only for sure You're like the beat of my heart
Beat goes on
Beat goes On You're like the beat of my heart
Beat goes on
Beat goes On You know that I'm leaving
It's only for sure You know that I'm leaving
It's only for sure
You're like the beat of my heart
Beat goes on
Beat goes On You're like the beat of my heart
Beat goes on
Beat goes On You know that I'm leaving
It's only for sure You know that I'm leaving
It's only for sure You're like the beat of my heart
Beat goes on
Beat goes On You're like the beat of my heart
Beat goes on
Beat goes On You know that I'm leaving
It's only for sure
