

All for You

Sister Hazel

Finally I figured out,
But it took a long, long time.
Now, I'll never turn about,
Maybe 'cause i'm tryin' There's been time,
I'm so confused.
And all my roads,
Well, they lead to you. I just can't turn and walk away...It's hard to say what it is,
I see in you.
Wonder if i'll always be with you.
Words can't say it,
And I can't do,
Enough to prove,
It's all for you.
And I thought i'd seen it all,
'Cause it's been a long, long time.
Oh, I bottled up and trip and fall,
Wonderin' if i'm blind. There's been time,
I'm so confused.
And all my roads,
Well, they lead to you. I just can't turn and walk away...It's hard to say what it is,
I see in you.
Wonder if i'll always be with you.
Words can't say it,
I can't do,
Enough to prove,
It's all for you.
Rain comes pouring down,
(Pouring down).
Falling from blue skies,
(Falling from blue skies.) Words without a sound,
Comin' from your eyes... Finally I figured out,
But it took a long, long time.
Oh, Now, I'll never turn about,
Maybe 'cause i'm tryin' There's been time,
I'm so confused.
And all my roads,
Well, they lead to you. I just can't turn and walk away...It's hard to say what it is,
I see in you.
Wonder if i'll always be with you.
Words can't say it,
I can't do,
Enough to prove,

It's all for you...Well, It's hard to say what it is,
I see in you.
Wonder if i'll always be with you.
Words can't say it,
I can't do,
Enough to prove,
It's all for you...Ohh...
It's hard to say...Yeah, It's hard to say-ay-hay.It's all for you.
