

Hello New World

Clipse

[Chorus: Pharrell Williams]

Hello new world, here we come

On them Twinkie tres, with the hood screaming

"We on our way!"

Can't forget where I come from

So I extend my hand to my man screaming

"I'm on my way!"

Yes I rap, but best believe

Them things still get wrapped by Papi screaming

"It's on its way!"

I can't wait for the next nigga

From my hood to say "Lookout World

I'm on my way!"

[Verse 1: Pusha T]

I listen to the beat, and the rhyme is wrote

See, I was 16, eyes full of hope

Bagging up grams at the higher dough

The news called it crack, I called it Diet Coke (Ohhh!)

At the same time, hiding from mama, dodging the drama

Fuckin plenty bitches while ducking the baby mama

I found poetry, excuse me, +Floetry+

"Say yes!" niggaz hear the "Eghck!" and they know its me

Make âE? em sick to their stomach how they s'posta be

Sippin on a 50 foot yacht, nigga, motion free

Ocean in my backyard where its s'posta be

Funny how my neighbors don't think its where I'm s'posta be

They think I'm cuter in jail

But the only time I'm boxed in is when the roofs on the SL

And that even come off, so that would mean I'm visiting

New world, I hope y'all listening, envisioning!

[Chorus: Pharrell Williams (Malice)]

Hello new world, here we come

On them Twinkie tres, with the hood screaming

"We on our way!"

Can't forget where I come from

So I extend my hand to my man screaming

"I'm on my way!"

Yes I rap, but best believe

Them things still get wrapped by Papi screaming (Yeah!)

"It's on its way!"

I can't wait for the next nigga

From my hood to say (From my hood to say) "Lookout World

I'm on my way!"[Verse 2: Malice]
 This goes out to my Hyalites that hang out on them corners
 Who rock Air Nike's, hustlers' way of life
 In white T's, constantly, ducking from Ds
 Pumpin that D arm, readily, waiting to squeeze
 Who stay cookin, stay lookin, over they shoulders
 Holdin them boulders, tryin to avoid central booking
 I ain't coming at âE? cha quote, unquote "Famous Rapper"
 Who turn positive, try to tell ya how to live
 But this information I must pass to the homies
 If hustling is a must be Sosa, not Tony
 We can all shine; I want your wrist lit like mine
 Neck and ears, I want it lit like mine
 Foreign cars, stick shift, 6 gears like mine
 Anything that keep mama from crying, visiting
 You from behind that glass, while you away, sentencing
 But the judge is saying "Life" like it ain't someone's life[Chorus: Pharrell Williams]
 Hello new world, here we come
 On them Twinkie tres, with the hood screaming

 Can't forget where I come from
 So I extend my hand to my man screaming
 "I'm on my way!"
 Yes I rap, but best believe
 Them things still get wrapped by Papi screaming
 "It's on its way!"
 I can't wait for the next nigga
 From my hood to say "Lookout World
 I'm on my way!"[Man talking:]
 Yo, what up? What up? This ya man Grinding, from downtown Norfolk.
 Just want y'all to know its about time For us to come up and make a change man.
 They keep tryin to keep us down, but that ain't the way to be man.
 Its about time for us to get it together man.
 Ery'body else get they shit together
 Why the niggaz can't get they shit together, and get they money together?
 Hustlers come together with hustlers
 Know what I'm sayin? This ain't just for the playas in VA...
 This for playas all over the world!
 This Grinding![Verse 3: Pusha T]
 Times-a-wasting, niggaz doin so much hatin
 Free ya heart, and show ya greatness
 I, like you, had to come from up under the basement
 Just like you, had Satan tryin my patience
 Still you look at me through jealous eyes
 I wish to see all my niggaz rise up!
 Get that money, put them 9s up
 Piggy-back out the ghetto âE? for times up!
 Niggaz rush![Chorus: Pharrell Williams]
 Hello new world, here we come

On them Twinkie tres, with the hood screaming
"We on our way!"
Can't forget where I come from
So I extend my hand to my man screaming
"I'm on my way!"
