

# Snow Shovels

## DROELOE

Remember the sun  
Like a story we told  
So we tell it again  
While we battle the cold  
Remember the sun  
Like a story we told  
So we tell it again  
While we battle the cold  
So we tell it again  
While we battle the cold  
Remember the sun  
Like a story we told  
Remember the sun  
Like a story we told  
Remember the sun  
Like a story we told  
So we tell it again  
While we battle the cold  
Remember the sun  
Like a story we told  
So we tell it again  
While we battle the cold  
While we battle the cold  
While we battle the cold  
While we battle the cold
