

# One Thing Leads to Another

## The Fixx

The deception with tact  
Just what are you trying to say  
You've got a blank face, which irritates  
Communicate, pull out your party piece  
You see dimensions in two  
State your case with black or white  
But when one little cross  
Leads to shots, grit your teeth  
You run for cover so discreet  
Why don't they Do what they say  
Say what you mean  
One thing leads to another  
You told me something wrong  
I know I listen too long  
But then one thing leads to another  
The impression that you sell  
Passes in and out like a scent  
But the long face that you see  
Comes from living close to your fears  
If this is up, then I'm up  
But you're running out of sight  
You've seen your name on the walls  
And when one little bump  
Leads to shock miss a beat  
You run for cover and there's heat  
Why don't they Do what they say  
Say what they mean  
One thing leads to another  
You told me something wrong  
I know I listen too long  
But then one thing leads to another  
One thing leads to another  
Then it's easy to believe  
Somebody's been lying to me  
But when the wrong word  
Goes in the right ear  
I know you've been lying to me  
It's getting rough, off the cuff  
I've got to say enough's enough  
Bigger the harder, he falls  
But when the wrong antidote  
Is like a bulge on the throat

You run for cover in the heat  
Why don't they Do what they say  
Say what they mean  
One thing leads to another  
You told me something wrong  
I know I listen too long  
But then one thing leads to another  
One thing leads to another
