

# Soon It's Gonna Rain

[Barbra Streisand](#)

Hear how the wind begins to whisper  
See how the leaves go streaming by  
Smell how the velvet rain is falling  
Out where the fields are warm and dry  
Now is the time to run inside and stay  
Now is the time to find a hideaway  
Where we can play  
Soon it's gonna rain, I can see it  
Soon it's gonna rain, I can tell  
Soon it's gonna rain, what are we gonna do?  
Soon it's gonna rain, I can feel it  
Soon it's gonna rain, I can tell  
Soon it's gonna rain, what will we do with you?  
We'll find four limbs of a tree  
We'll build four walls and afloor  
We'll bind it over with leaves  
Then duck inside and play  
Then we'll let it rain, we'll not feel it  
Then we'll let it rain, rain pell mall  
And we'll not complain if it never stops at all  
We'll live and love within our castle  
Hear how the wind begins to whisper  
Feel how the rain is falling now
