

# Long Gone Tomorrow

## Firewind

Oh my engine's burning  
.the star to the underworld  
no, sympathy for the .  
'cause I've been.before  
You are my pride  
that .I try  
I will be long gone tomorrow  
and you will never ask me why  
I shine the star behind my sorrow  
what silver you it cause will .  
I am your.  
before his eyes disappear  
I have the .shine  
true hear the song .  
You are my pride  
that .I try  
3 x  
I will be long gone tomorrow  
and you will never ask me why  
I shine the star behind my sorrow  
what silver you it cause will .  
oh yeah
