

Sad Girl

Lana Del Rey

Being a mistress on the side
It might not appeal to fools like you
We've been around on the side
Wanna be something you would do But you haven't seen my man
You haven't seen my man
You haven't seen my man
You haven't seen him He's got the fire and he walks with fame
He's got the fire and he talks with fame
His Bonnie on the side, Bonnie on the side
Makes me so sad, girl
His money on the side, money on the side
Makes me so sad, girl
I'm a sad girl
I'm a sad girl
I'm a sad girl
I'm a sad girl
I'm a sad girl
I'm a bad girl I'm a bad girl
Being a bad bitch on the side
It might not appeal to fools like you
We've been around when he gets high It might not be something you would do
But you haven't seen my man
You haven't seen my man
You haven't seen my man
You haven't seen him
He's got the fire and he walks with fame
He's got the fire and he talks with fame
His Bonnie on the side, Bonnie on the side
Makes me so sad, girl
His money on the side, money on the side Makes me so sad, girl
I'm a sad girl
I'm a sad girl
I'm a sad girl
I'm a sad girl
I'm a bad girl I'm a bad girl
Watch what you say to me
Careful who you're talking to
Watch what you say to me
Careful who you're talking to
I'm on fire, baby I'm on fire
He's got the fire and he walks with fame
He's got the fire and he talks with fame

His Bonnie on the side, Bonnie on the side
Makes me so sad, girl
His money on the side, money on the side Makes me so sad, girl
I'm a sad girl
I'm a sad girl
I'm a sad girl
I'm a sad girl
I'm a bad girl
I'm a bad girl
I'm a sad girl
I'm a sad girl
I'm a sad girl
I'm a sad girl
I'm a bad girl
I'm a bad girl
