

Getto Jam

Domino

Here we go, here we go as the tune starts to bloom
With a phat phat track pumpin' gas
1 2 3 and this is O G
The freaks would ya move ya pretty a-ass The getto jam is about to slam
With some notes from the diggady d-de
As I key what's really goin' on
Would ya reminisce with me-e Saturday morning just gettin' up
With a hangover smellin' like a fuck
I really can't remember 'cause I'm still kinda faded
So I close my eyes and thank God that I made it Now I'm gettin' flashbacks of some O.J.
With a green glass, that's tangere
Took it to the hand gulped it down with the quickness
Now I need a trick so I can handle my business
What do you know, a freak's in my reach
Threw her on the flo', stuck it in her deep
She's screamin' and she's screamin' and she's screamin', gettin' horse
But then I busted her gut, and that was that, so kick the chorus Here we go, here we go as the
tune starts to bloom
With a phat phat track pumpin' gas
1 2 3 and this is O G
The freaks would ya move ya pretty a-ass The getto jam is about to slam
With some notes from the diggady d-de
As I key what's really goin' on
Would ya reminisce with me-e My homies are down, chillin' in the hood
Got them hootchies, well they ain't no good
To the other man, well she might be some good cat
But the homies in the hood label her as a hood rat
She's standing there
So those with game can dare
And ooh, she'll pound that ass real fast
If it ain't that big And when your in that thing
She'll make the homies sing
Dubabwaa, dubabwaa, dubabwaa
But you don't hear me doe Ain't nuthin' wrong with being a Trojan man
When ya ridin'
So let's kick the chorus please
If ya like it Here we go, here we go as the tune starts to bloom
With a phat phat track pumpin' gas
1 2 3 and this is O G
The freaks would ya move ya pretty a-ass The getto jam is about to slam
With some notes from the diggady d-de
As I key what's really goin' on

Would ya reminisce with me-eMy homies crowding in this dope yellow Chevy
2: 03 to be prox
Ken was kickin' that funk in the trunk
Clean with the rag on top, yeahRollin' down the shore, guess what we saw
Some hootchies
They're fine as wine, is doggin' me
She's showing bootySo I approached the freak of the week
And I played it like a game of blackjack
And for all that ass that she toted around
Well I offered a backpackAnd since I'm a mack
Well, you know how the story goes
So all ya bros, freaks ya know
Here we goHere we go, here we go as the tune starts to bloom
With a phat phat track pumpin' gas
1 2 3 and this is O G
