

# You Can't Stop Me (feat. Laura Benanti)

## Nashville Cast

It's complicated, it's how you laid it out.  
Everything is changing, you say we're fadin'.  
You say we're weighted down. Oh, baby,  
You should know by now that you can't stop me. Do what you gotta do. Say what you gotta say.  
Go where if gotta go, but i hope you stay.  
Me, i'm gonna stand right here,  
I guess i still believe in,  
You and me somewhere out there.  
So baby, i believe in, you can't stop me.  
You can't stop me.  
You can't stop me.  
Brokenhearted, ain't how we started out.  
That's where we are now.  
But we can make it, if you could just hold out.  
And baby i can't just lay down,  
And you can't stop me. So...Do what you gotta do. Say what you gotta say.  
Go where if gotta go, but i hope you stay.  
Me, i'm gonna stand right here,  
I guess i still believe in,  
You and me somewhere out there.  
So baby, i believe in, you can't stop me.  
You can't stop me.  
You can't stop me. There's always one thing i can't seem to comprehend.  
This ain't something i can just turn off and on again. so,  
Do what you gotta do. Say what you gotta say.  
Go where if gotta go. But i hope you stay.  
Me, i'm gonna stand right here.  
I guess i still believe in,  
You and me somewhere out there.  
So baby, i believe in, you can't stop me.  
You can't stop me.  
You can't stop me.  
From lovin' you.
