

# On the Run

OMC

a why did i do it, a why did i do it  
i asked myself a hundred times and then i start to cry  
its up to my neck now im runnin like a dog  
i can't remember how it started  
but its too late to turn back the clock  
i gotta keep on and on and on and onoh my hearts prayin for a heart attack  
im gonna collapse a but i better not  
I'll get a few years for the things I've done  
ill never see the sunrise no more what the hell  
i gotta keep on  
fighting for my sanity and for family  
and for my baby oh for my baby  
bullshit aside yea i knew how to play the game right  
but this time i made a mistake and im gonna pay the price  
id rather be payin to the grim reaper  
than the law keeper  
im runnin im runnin im runnin out of time  
to late to waste time in haste  
i fell to my knees to pray for your god  
but your god wasnt there for me  
so i prayed to myself  
for long life and staminai do believe i was startin to lose my nerve and my mind  
i heard a little voice screamin if you do the crime you will send for the time  
if you do the crime you must render the time  
if you do the crime you must render the timebullsh\*t i wont bow down to that  
a belly of a priest wont have its name on a slip no  
i gotta keep on movin and groovin  
i gotta keep on movin and groovin  
i gotta keep my mind clear  
for the devils and the demons i will not fear  
(the devils and demons i will not fear)  
im on the run  
10 more minutes and im gone  
im on the run  
10 more minutes and im gone  
(repeat)
