

# That's What I Get for Loving You

## Diamond Rio

(Kent Blazy/Neil Thrasher) I start every day with a smile on my face  
And the feel of a kiss on my lips  
When the world plays too rough I can find a healin' touch  
Life's never been better than this That's what I get for lovin' you  
Heaven's right here in my hands  
A dream that is real and a heart that beats true  
That's what I get for lovin' you  
There was a time I walked outside the lines  
I only thought of myself  
Then you sat me down turned my head around  
Now, I put you before everything else That's what I get for lovin' you  
Heaven's right here in my hands  
A dream that is real and a heart that beats true  
That's what I get for lovin' you Love is a feelin' I never knew much about  
Forever's a word I never said until now That's what I get for lovin' you  
Heaven's right here in my hands  
A dream that is real and a heart that beats true  
That's what I get for lovin' you  
That's what I get for lovin' you  
Heaven's right here in my hands  
A dream that is real and a heart that beats true  
That's what I get for lovin' you...
