

# Balenciaga Challenge (feat. Offset)

## 6LACK

[Intro]

Listen, okay? Let me just say this: if a nigga wanna fuck with me, he gon' fuck with all of me, he ain't gon' fuck with me sometimes, he gon' fuck with me all motherfucking time, period

I ain't going for none of that bullshit. You know, these niggas be out here tryna play mind games this shit with a bitch like I ain't got time for that!, you know what I'm saying? I ain't got time for that? Niggas like the only one that's getting money too, like, bitches is getting money too, nigga. My time is money, nigga. Don't waste my time, nigga[Verse 1: 6LACK & Offset]

I am not like these niggas, I be pinning ceiling in the cut (woo)

That mean no chillin' and then cut (woo)

Made a million in a cut (woo!)

I'm Balenciaga challenge

Tryna find my balance

Offset with a bag

That mean I ain't out slack (woo)

My melodies cutting from everything I came from  
They talking to God, everything I got, came from him

Ain't no fatigue in my blood

It's just a lot of weed in my blood

Had to finish

Keep running your mouth like academics

It's a everyday struggle

But I still remain humble

We can go paint all that

But you know ain't all that, yeah

(Ay, ay, ay, yeah, ay)

[Chorus: 6LACK]

I pick all the pace of the pace

I can't ever take a break (nigga, break)

Then I brought my trouble where I stay

So I cannot run away (yeah)

I pick all the pace of the pace

I can't ever take a break (nigga, break)

Then I brought my trouble where I stay

So I cannot run away[Verse 2: Offset]

800 racks in my safe (racks)

Used to have dope in the base (dope)

Nigga, I'm a north side native (north)

I was never understood, they hated (no)

Grow dope with the wolves with the slave (wolves)

Cause the P got shot in [?] (pow)

I had case after cases (case)

I never switched up, cause I'm gangsta (rah)

These diamonds [?] (rah)  
I wore diamonds and [?] cause we ancient (ancient)  
She wanna expose me, she anxious (expose)  
Had to call up my bro, I'm some lame shit  
It keep burning my soul that he lies with (girl)  
The rings of trophy on banquette (yeah)  
[?] I can't quit  
Gotta bust that Patek like a plane bitch  
Had 'em bust that bitch, what her name is  
And my GO with the gang is  
You that we on, that's dangerous  
I'm having thoughts  
I'm not gonna [?] my mind is cautious  
I had a heart to grow my [?] now I'm heartless (heartless, hey)  
I move [?] modern Colossus  
[Chorus: 6LACK]  
I pick all the pace of the pace  
I can't ever take a break  
Then I brought my trouble where I stay  
So I cannot run away (yeah)  
I pick all the pace of the pace  
I can't ever take a break  
Then I brought my troubles where I stay  
So I cannot run away
