

Back To Me (feat. Micky Blue)

KSHMR & Crossnaders

Paint my roses red
Right before the end
I will let the raindrops carry me
All we ever said
Dancin' through my head
Wait until it all comes back to me
Paint my roses red
Right before the end
I will let the raindrops carry me
All we ever said
Dancin' through my head
Wait until it all comes back to me
All we ever said, we ever said
All we ever said, we ever said
All we ever said, we ever said
Back to me
Paint my roses red
Right before the end
I will let the raindrops carry me
All we ever said
Dancin' through my head
Wait until it all comes back to me
Paint my roses red
Right before the end
I will let the raindrops carry me
All we ever said
Dancin' through my head
Wait until it all comes back to me
