

Strangers Do

Jonas Aden

Strangers Do
Hold up, just wait a second
A second longer
Hold up, just stay a moment
A moment longer Heavy water keeping us afloat
Pains my body as I let you go
Heavy water, losing all control
Yet I do, yet I do
(I do, I do, I do) Strangers Do Hold me and count the seconds
The seconds, maybe
Hold up, just stay a moment
A moment longer
Heavy water keeping us afloat
Pains my body as I let you go
Heavy water, losing all control
Yet I do, yet I do
(I do, I do, I do)
