

All the Way Down

Glen Hansard

You have broken me all the way down
Down upon my knees
And you have broken me all the way now
You'll be the last, you'll see
And in the morning when you're turning, I'll be far to sea
And you have broken me all the way
down
You'll be the last, you'll see
Down, down, down, down
And what chance had we got when you missed every shot for me
And in the morning when you're turning, I'll be out of reach
And in the darkness when you find this, I'll be far to sea
And you have broken me all the way down
You'll be the last, you'll see
Down, down, down
