

Unspeakable

Ace of Base

All I wanna say to you Oh yeah I was unfeeling when you discovered me
Gave me a reason to not deny my needs
I was unwilling to give my love away
But you decided to give yours anyway Oh, I can't express
The feelings I possess
For you baby
All I wanna say to you
Is na-na-na-na unspeakable
All I wanna say to you
Words can't describe it
All I wanna say to you
Is na-na-na-na unspeakable
All I wanna say to you
Words can't define

Unspeakable Oh yeah Never thought I needed someone to call my own
But now that you've got me, don't ever let me go
You leave me unwanting, you silence every need
Nothing is missing, no love is so complete Oh, I can't express
The feelings I possess
For you baby
Oh, yeah All I wanna say to you
Is na-na-na-na unspeakable
All I wanna say to you
Words can't describe it
All I wanna say to you
Is na-na-na-na unspeakable
All I wanna say to you
Words can't define

Unspeakable Never had this feeling that brings me to my knees
You helped me recover what's been eluding me
You're a sensation that makes my love run free
And now I'm peechless, it's all so clear to me All I wanna say to you
Is na-na-na-na unspeakable
All I wanna say to you
Words can't describe it
All I wanna say to you
Is na-na-na-na unspeakable
All I wanna say to you
Words can't define it
All I wanna say to you
Is na-na-na-na unspeakable
All I wanna say to you

Words can't describe it
All I wanna say to you
Is na-na-na-na unspeakable
All I wanna say to you
Words can't define it
Unspeakable, unspeakable, unspeakable, unspeakable,
unspeakable, unspeakable, unspeakable
