Phonte & Eric Roberson

What up girl,
I know you been through a lot...
And so have I. So many time I've heard that I love you line,
only to wake up & find it's not true.
How about this time, you & I take our time,
I wanna grow this love about you. x2... So many times I was falling in love
when my baby don't wanna fall in it...
Falling so fast, I couldn't jus...
