I hate my wife because she is a ho, ho, ho.  
She used to please me every day, then she made it clear that santa's only supposed to come once  
a year.  
Fuckin Bitch.  
Now I buy whores, rock and roll, and I stuff their stockings with my north pole...

You all doin' good?  
Yeah, i'm not doing so good.I had a wonderful life, with a healthy household,  
and beatiful wife, and a pot full of gold. Ha.  
Then my wife spent my riches all by herself, and since women are bitches, blew a keebler elf.  
Uh, now i drink all day and a part of me dies.  
Cuz my wife is getting gang-banged by the Rice Krispie guys.  
(end)Tony the Tiger-  
Hey I know them!(end)Oh, hey Tony.  
Nice of you to show up.  
Where were you last week?Tony the Tiger-I had some, uh... some stuff to take care of.  
Hey, i'm Tony the tiger.  
Fuck it.  
I'll just sing it.  
Every day I wake up, and I get to work late.  
My boss says, 'hey, whats up?'  
I say that i'm grrrrrrrowing tired of this shit.  
The kids they laugh, 'cause i'm a sensitive cat.  
'Big pussy!'  
I can't argue with that.  
If another kid gives me frosted flakes,  
I swear on my life... i'll eat his parents.(end)Okay Ton, thank you.
