

Marilyn Monroe

Astrid S

If I sing something you don't like, am I the problem?
'Cause I think I've been holding back, is not what I wannaIf I show a little bit more skin
Already know what you're gonna think
Don't tell me what I'm gonna do, what I don't
I will decide what I will, what I won'tIs it like Marilyn Monroe if I wanna do it on my own?
Don't tell me what I'm gonna do, what I don't
I'm gonna do it the way I want
You do you, you don't do me
You do you, you don't do meIf I slept with a hundred guys, you think it's a crime
The less I wear the more you criticize
I'm just a thing, ain't I?My lips are a little bit more red
But that doesn't take away what's said
Don't tell me what I'm gonna do, what I don't
I will decide what I will, what I won'tIs it like Marilyn Monroe if I wanna do it on my own?
Don't t?ll me what I'm gonna do, what I don't
I'm gonna do it the way I wantYou do you, you don't do me
You do you, you don't do m?
I've got some things to say, it's easy to explain
I don't need permission to be who I want to be
I've got some things to say, it's easy to explain
Hm, you do you, you don't do meYou do you, you don't do me
You do you, you don't do me
You do you, you don't do me
