

Cold Hard Bitch (Live At the Mercury Version)

Jet

Gotta leave town
Got another appointment
Spent all my rent
Girl you know I enjoyed it Ain't gonna hang around till there's nobody dancing
I don't want to hold hands and talk about our little plans, alright! Cold hard bitch
Just a kiss on the lips
And I was on my knees
I'm waiting, give me
Cold hard bitch
She was shakin' her hips
That's all that I need
Gonna check her out
She's my latest attraction
Gonna hang â? round
want to get a reaction Gonna take her home â? cos she's over romancing
Don't want to hold hands and talk about her plans alright! Cold hard bitch
Just a kiss on the lips
And I was on my knees
I'm waiting give me
Cold hard bitch
She was shakin' her hips
And I that was all that I need
I'm waiting give me
Cold hard bitch
Just a kiss on the lips
And I was on my knees
Yeah I'm waiting
Yeah I'm waiting
Yeah I'm waiting
Yeah I'm waiting Cold hard bitch
Just a kiss on the lips
And I was on my knees
I'm waiting give me
Cold hard bitch
She was shakin' her hips
And I was all that I need
I'm waiting give me
Cold hard bitch
Just a kiss on the lips
And I was on my knees
I'm waiting give me
