

# Don't Fade Away

Milla

Hello sunshine  
Please don't fade away  
See our genius  
Warp what we created No no, don't fade away darling Stepping over  
Shadows from your smile  
Losing myself  
In these waves of light No, don't fade away  
No, don't fade away See them washing, hearts with teardrops  
Bless these simple souls  
Baby soldiers, marching onward  
Watch their hopeless eyes  
No, don't fade away  
No, don't fade away Oh my, am I high?  
Is that a glow up in the sky?  
Oh my, am I high?  
Is that a glow up in the sky? Oh my, am I high?  
Is that a glow up in the sky?  
Oh my, am I high?  
Is that a glow? Whitewashed liars, stupid teachers  
Blinded are these broken dreamers  
Little rulers  
Who will teach them time? No, don't fade away, no no  
No, don't fade away darling  
No no no no, don't fade away  
No, don't fade away darling  
Oh my, am I high?  
Is that a glow up in the sky?  
Oh my, am I high?  
Is that a glow up in the sky? Oh my, am I high?  
Is that a glow up in the sky?  
Oh my, am I high?  
Is that a glow up in the sky? Oh my, am I high?  
Is that a glow up in the sky?  
Oh my, am I high?  
Is that a glow up in the sky?
