

Live That Life (feat. Garren)

YFN Lucci & Rich Homie Quan

Rich Homie, baby
Yeah, my nigga you know how it goes
When we pull up you know we take all your hoes
Said she wanna be on what I'm on
'Cause I live that lifestyle, shawty want that lifestyle
Yeah, my nigga you know how it goes
We pull up, you know we take all your hoes
Said she wanna be on what I'm on
Yeah, 'cause you live that lifestyle, real nigga lifestyle
I been in the game for a while lil' nigga
I ain't gon' waste no time lil' nigga
I ain't talking about no skate boards
Talkin' how I been on my grind a lil' bit
Everything I do be B.I.G
Feelin' like I can be Ali
Seymour told me, "Trust in God"
You know what that means, T.I.G.
Those hoes they want that fly kit
You know that I was pullin' up
That was back when I was on my dick
You know I felt like giving up
Now I don't give a fuck about what the price cost (Why Rich Homie?)
I done did a lot of shit to live this fuckin' lifestyle
And this a (Real nigga lifestyle)
I ain't callin' for help, no medic
I be there on Friday 4:30
If shawty wanna fuck, grippin' on my nut
Girl, I'm not a payday
I done been broke before
Long live life
Keep your head up baby
Worry about you know I ain't goin' payday
Then wanna say say (what?) I love you
Yeah, my nigga you know how it goes
When we pull up you know we take all your hoes
Said she wanna be on what I'm on
'Cause I live that lifestyle, shawty want that lifestyle
Yeah, my nigga you know how it goes
We pull up, you know we take all your hoes
Said she wanna be on what I'm on
Yeah, 'cause you live that lifestyle, real nigga lifestyle
All iced out, I live that lifestyle
Ay, she said ever since she been with me that she been piped now
You know ever since she been with me there ain't no pipin' down
See I ain't gon' lie, I got her rockin' real ice now

New money car, new money too much cheddar
You wouldn't know what to do with that cheddar
And she'll fuck the crew if I let her
You know I got two Beretta (Yeah)
They watchin' like armor (Yeah)
They poppin' like Amaretto (Hey)

You know it came with umbrella
You know I came with the fellas (Turn up)
You know I came with them killas
I work that glock with one arm, I'm a hitta
