## Ben Platt & Original Broadway Cast of Dear Evan Hansen

Dear Evan Hansen,?  
Today is going to be a good day.  
And here's why: because today, today at least you're you and that's enough.?  
All we see is sky for forever  
We let the world pass by for forever  
Feels like we could go on for forever this way  
This way All we see is light  
Watch the sun burn bright  
We could be alright for forever  
This way All we see is sky for forever  
All I see is sky for forever
