

# Activate Me

## ASTR

I've been waiting for you  
I've been waiting for, I've been waiting for you  
Activate activate activate me Don't wanna hear it  
When you tell me you understand  
Wanna believe it  
Want you to show me you really care And I won't wait for you to make you mind  
It's now or never, boy let's redefine I've been waiting for you  
I've been waiting for, I've been waiting for you  
I've been waiting for, I've been waiting for you  
Activate activate activate me  
Don't wanna resist  
It's already written, it's in your eyes  
Want you to be there  
So come and tell me what's on your mind Your hesitation's leaving me so cold  
And I won't wait it's time to take control I've been waiting for you  
I've been waiting for, I've been waiting for you  
I've been waiting for, I've been waiting for you  
Activate activate activate me  
Activate activate activate me Cause you can't ignore  
Cause you can't ignore me  
Cause you can't ignore  
Cause you can't ignore ooh  
Cause you can't ignore me  
Cause you can't ignore  
I've been waiting for you  
I've been waiting for, I've been waiting for you  
I've been waiting for, I've been waiting for you  
Activate activate activate me  
Activate activate activate me I've been waiting for you
