

New Amsterdam

Travis

Jean Michel Basquiat, François Truffaut

Robert Zimmerman, and De Niro

Paris Texas

End of the world

New York, New York

Goodbye girl And they meet on Bleeker Street

Or the park that is central, oh

I watch the sun go down

Down down beneath the ground

And it's a new day

It's a new dawn

In New Amsterdam

The stranger in the moonlight

Looks stranger in the moonlight And they meet on Bleeker Street

Or the park that is central, oh

I watch the sun go down

Down down beneath the ground

And it's a new day

It's a new dawn

In New Amsterdam

And we meet on Bleeker Street

Or the park that is central, oh

I watch the sun go down

Down down beneath the ground

And it's a new day

It's a new dawn

In New Amsterdam
