

# Japan (feat. Saint Sinner)

## Tycho

Came home from Japan  
On your own when you landed  
I don't know how it happened You got me spinning round for you  
To tell you the truth  
So you can't say I didn't warn you  
I'm bad but I'm good  
I'll be so good to you Hey, yeah  
Oh I'm on a roll  
Hey, yeah  
Steady as she goes  
I won't make  
This a touch and go  
But don't wait  
For me to come home  
I'm gonna break her down  
She don't mind at all  
She don't mind  
I'm gonna break her down  
She don't mind at all She don't mind at all  
(At all) She don't mind Came home from Japan  
On your own when you landed  
I don't know how it happened  
You got me spinning round for you  
To tell you the truth  
So you can't say I didn't warn you  
I'm bad but I'm good  
I'll be so good to you Hey, yeah  
I'm gonna break her down  
She don't mind at all  
She don't mind  
I'm gonna break her down  
She don't mind at all  
She don't mind I came home from Japan  
She don't mind  
Came home from Japan  
She don't mind  
Came home from Japan  
She don't mind  
Came home from Japan  
She don't mind  
Came home from Japan  
She don't mind  
Came home from Japan
