

# Only Getting Younger (feat. Skrillex)

## Elliphant

While your skin go wrinkle, we only getting younger  
We ride into a peek, we can't take this shit no longer  
Main our mind a lover man a body go weak  
I got my bloody truth, I got my BAS crew with me  
Walk around with bloody hands, I saw you lick it off  
We gon' keep them dirty just to prove a point  
Keep it dirty it's for truth that my crew hunger  
What, so fuck tomorrow, we only getting younger  
All universe implode in me, up or down in and out no matter GNow stop falling, I smell like a  
fox  
Coloring, questioning a blank answer box  
Trip on trigger true, twist a tune trick a dumb  
Fresh like a fungus smelling shit, smelling numb  
We born together, together we keep struggle  
So fuck tomorrow we only getting younger  
Fuck tomorrow we only getting younger You to follow, we are here to rumble  
Grab a hand, take things too long  
Drag shit to its fullest, blow me right from wrong  
Stand tall, free I fall, your call is my ball  
Now yours, close them doors get blown by a force  
Of truth missing youth, fuck the shows Skrillex, haha Loose the goose man! Fuck it!  
Walk around with bloody hands, I saw you lick it off  
We gon' keep them dirty just to prove a point  
Main our mind a lover man a body go weak I got my bloody truth I got my BAS crew with me  
I got my, I got my, I got my  
Me and my bitches, me and my dogs  
Dandelion war keep digging streets for gold  
Feeling kind of tense I need a cup of whiskey  
My glass is overfull be careful when you pass me  
We dominate this corner with my BAS family  
Overtake this blocker with my boom energy  
Born to be a rocker gotta grow with us  
Acting like a sucker, suck it up, suck it all  
Walk around with bloody hands, I saw you lick it off  
We gon' keep them dirty just to prove a point  
Main our mind a lover man a body go weak  
I got my bloody truth I got my BAS crew with me  
I got my, I got my, I got my  
So fuck tomorrow we only getting younger
