

# Lost Kitten

## Metric

Don't say yes if you can't say no,  
Victim of the system, say it isn't so  
Squatted on the doorstep, swollen on the blow  
Leaving without you, can't say no Halfway starts with happiness for me  
Halfway house, lost kitten in the street  
Hit me where it hurts, I'm coming home to lose  
Kitten on the catwalk, high-heeled shoes No more hard-headed Saturdays,  
They got it, they want it, they give it away  
Tell me one thing you would never do  
I was looking for a hooker when I found you You've got my eyes, you've got my eyes  
You'll never be mine, ah, but you've got my eyes  
When you lie, I'll cover it up  
When you hide, I'll cover it up  
When you cry, I'll cover it up  
When you come undone, I'll cover it up So pent up, I was coming home to you  
Happy in the nighttime, howlin' at the moon  
Sippin' on a cocktail, drinking in the loo  
There's something about you I hold on to You've got my eyes, you've got my eyes  
You'll never be mine, ah, but you've got my eyes When you lie, I'll cover it up  
When you hide, I'll cover it up  
When you cry, I'll cover it up  
When you're blind, I'll cover it up When you lie, I'll cover it up,  
When you hide, I'll cover it up  
When you cry, I'll cover it up  
When you come undone, I'll cover it up  
They got it, they want it, they give it away  
They got it, they want it, they give it away  
They got it, they want it, they give it away  
They got it, they want it, they give it away  
They got it, they want it, they give it away They got it, they want it, they give it away  
(When you lie, I'll cover it up)  
They got it, they want it, they give it away  
(When you hide, I'll cover it up)  
They got it, they want it, they give it away  
(When you cry, I'll cover it up)  
They got it, they want it, they give it away  
(When you come undone, I'll cover it up)>
