Imagination (feat. Katy Menditta)

Gorgon City

Imagine I was good to you,
But you still see me the same!
Baby why can't you pretend that nothing here has changed?!
Let's rewind, we'll be fine
You'll forgive me, baby I'm sorry
'Cause your eyes will be fine,
Baby decide there's no need to worry!I need you to use use use use use your imagination
I need you to use use use use use your imagination
No no no no no no, don't tell me that you're leaving!
I need you to use use use use use your imagination
Imagine you remember me
Let yourself believe a word I say
See everybody makes mistakes, if you may believe we'll go away
Let's rewind, we'll be fine
You'll forgive me, baby I'm sorry
'Cause your eyes will be fine,
Baby decide there's no need to worry!I need you to use use use use use your imagination
I need you to use use use use use your imagination
No no no no no no, don't tell me that you're leaving!
I need you to use use use use use your imaginationHush baby, tell me what you want me to do
What you're imagining, but you let me softly to change your mind
I've been waiting so patiently,
No need to say, come with me until the time runs out
The time runs out!
I need you to use use use use use your imagination
I need you to use use use use use your imagination
No no no no no no, don't tell me that you're leaving!
I need you to use use use use use your imagination
