

Mambo (Leandro Da Silva Remix)

[Nikki Vianna](#)

Hey, mambo, mambo Italiano
Hey, mambo Take my hand
Take the lead when we take the dance, romance
Understand, if you play your part
I will take a chance, climax Symmetry
Sway me so skillfully
Feel the heat just like we're in Sicily
Take a mat
Lay me to the floor
To the motherland
Tonight we dance
Hey, mambo
Hands on my body when we sway mambo
Move with my body when we play mambo
Mambo Italiano
Dance with me baby
Do the mambo like we're crazy, yeah Hey, mambo
Hands on my body when we sway mambo
Move with my body when we play mambo
Mambo Italiano
Dance with me, baby
Do the mambo like we're crazy, yeah Side to side
Back and forth like a bumpy ride, hold tight (Oh)
Eye to eye, face to face
Lean me left to right all night
