

U Make Me

Disco Fries & Raquel Castro

Broke up bond said you regret it
I took you back so we could mend it
Said you're sorry for the damage
And you'll pick up the pieces
Put out puzzle back together
There's a storm inside, lightin' up my mind
Oh ya did me wrong but ya feel so right
There's a voice inside, tryna' change my mind
Yeah ya did me wrong, but
Oh u make me, oh u make me Feel so alive like riding giant waves
Through our paradise like kissing in the rain
Yes when I'm with you, no I can't deny
Your love got me hooked and I'm high tonight
I feel so alive
Oh u make me, oh u make me
Oh u make me, oh u make me Feeling guarded, I can't help it
I'm a little scared but is that selfish
Cause if all is fair, in love and war then
Let's call it even there's no time for second guessin' Oh this storm inside's lightin' up my mind
Cause ya did me wrong, but ya feel so right
Oh this voice inside's tryna' change my mind
Cause ya did me wrong, but
Oh u make me, oh u make me
Feel so alive like riding giant waves
Through our paradise like kissing in the rain
Yes when I'm with you, no I can't deny
Your love got me hooked and I'm high tonight
I feel so alive
Oh u make me, oh u make me Oh u make me, oh u make me
Woah-oh-oh-ohh-ohhh
You got me hooked and I'm high tonight
Woah-oh-oh-ohh-ohhh
Oh u make me, oh u make me
Woah-oh-oh-ohh-ohhh
Feel so alive
Woah-oh-oh-ohh-ohhh
My paradise Ah-ah-ahh-ahh-ahh
Ah-ah-ahh-ahh-ahh
Ah-ah-ahh-ahh-ahh
Ah-ah-ahh-ahh-ahh
