

She's Casual

The Hunna

Every night I feel the same
My girl turns and walks away
Every time I hear her name
It's without her. And all she does is play these games
It's always been her claim to fame
Every time I hear her name
It's disaster. She makes my heart beat go faster
The thing is I trust her. Because she's casual she likes it
Mine and she knows it
Gives when I need it
Says to me "Can you feel it?"
She's casual but she don't mind.
And from the dark to the morning light
She waits beside me and I know that I will be alright
She's all I want to see
She won't ask why I look in her eyes
I think I've been looking for you all my life.
And you ask me what I've been doing with my time.
I've been searching for you baby. Because she's casual she likes it
Mine and she knows it
Gives when I need it
Says to me "Can you feel it?"
She's casual but she don't mind. Ooo's She makes my heart beat go faster
The thing is I trust her.
She makes my heart beat go faster
The thing is I trust her.
Because she's casual she likes it
Mine and she knows it
Gives when I need it
Says to me "Can you feel it?"
She's casual but she don't mind. Because she's casual she likes it
Mine and she knows it
Gives when I need it
Says to me "Can you feel it?"
She's casual but she don't mind.
She's casual she likes it
Mine and she knows it
Gives when I need it
Says to me "Can you feel it?"
