

# Caravan

[Dave Brubeck](#)

Night and stars above that shine so bright  
The myst'ry of their fading light  
That shines upon our caravan Sleep upon my shoulder as we creep  
Across the sand so I may keep  
The mem'ry of our caravan This is so exciting  
You are so inviting  
Resting in my arms  
As I thrill to the magic charms  
Of you beside me here beneath the blue  
My dream of love is coming true  
Within our desert caravan
