Clap, clap, clap, clap

If you need a fix

(Yeah, if you need a fix baby, I got it)

And you say Blackstreet, and you say

And, clap your hands, just clap your hands

(I wanna go on and on)

Just clap your hands, just clap

(And give you more) Oh, sugar girl, you sexy thing

I like the way you swing

Always wanna be your lover

You can call me

If you need a fix or two

Girl, you know how we do

Try to get with you You can hit me on the phone

Dial my number, I'll be waiting

When I see you, we'll be anticipating

All I wanna do is drive you crazy girl

If we can phone, baby let's go

See me tonight If you need a fix
