

# When a Child Is Born

## Johnny Mathis

A ray of hope flickers in the sky  
a tiny star lights up way up high  
all across the land, dawns a brand new morn  
this comes to pass when a child is born  
A silent wish sails the seven seas  
the winds of change whisper in the trees  
and the walls of doubt crumble, tossed and torn  
this comes to pass when a child is born  
A rosy hue settles all around  
you've got to feel you're on solid ground  
for a spell or two, no-one seems forlorn  
this comes to pass when a child is born  
And all of this happens because the world is waiting,  
waiting for one child  
black, white, yellow, no-one knows  
but a child that will grow up and turn tears to laughter,  
hate to love, war to peace and everyone to everyone's neighbour  
and misery and suffering will be words to be forgotten, forever  
It's all a dream, an illusion now  
it must come true, sometime soon somehow  
all across the land, dawns a brand new morn  
this comes to pass when a child is born
